

PART NR.
See dimensions table

COUNTRY OF ORIGIN
Netherlands

STANDARDS
REACH and RoHS compliant
DIN3017-1

- CHARACTERISTICS**
- This hose clamp is for a small clamping range and equipped with a short bolt, making it perfectly suitable to clamp hoses with thin walls. such as fuel hoses. It is often called fuel hose clamp. The rounded edge prevents the clamp from shearing into the hose
 - Ideal for small bore hoses with relatively low pressures, where little clamping force is required. Used in low pressure applications such as a fuel line
